G.2 – MMRS

In States with MMRS jurisdictions, SAAs should pass 100 percent of the MMRS program funding allocation to their MMRS jurisdiction(s). For MMRS jurisdictions within multiple States, each SAA involved should pass-through 100 percent of the funding to the designated fiduciary/coordinating entity. However, States may retain up to 20 percent of the MMRS program funding allocation to facilitate strategy assessment and capability integration between the State and the MMRS jurisdictions. Any funds retained by the State must be documented in a written agreement between the SAA and Chair of the involved MMRS Steering Committee(s).
